

## MEDICAL CERTIFICATE (MC)

### Information for the physician

It is expected that general level of health and fitness of sport competitor is stable as judged by follow up doctor and in the line with different criteria for particular competitor - which organ is transplanted, haemodialysis or peritoneal dialysis, children or adult, level of physical requirements according to the specific sport.

For that reason Medical Committee of LOC insists on having insight of the updated Medical Dossier (MD) for each athlete and certification from follow-up doctor that he/she is able to take a part in the competitions from medical point of view.

Thank you for your help in advance!
